Plans of Tri-State Hotel Building Co. Approved by Chamber of Commerce—To Be Twelve Stories.

A new 12-story hotel will be built on the site of the old Arlington during the coming year at a cost of approximately \$1,000,000.

An agreement as to the building was reached Tuesday night between H. K. Cleary, chairman of the convention division of the Chamber of Commerce, and officers of the recently organized Tri-State Hotel Building company. Mr. Cleary within a day or two will appoint a committee to work with a committee from the hotel company in disposing of such of the stock as had not already been subscribed.

The hotel will be built on Main street and run back 150 feet to an alley. It will contain 400 rooms, and will be modern in construction. It is hoped to begin building during the coming year, and to have the hotel completed before the end of the year.

Outlines have been taken on the Arlington hotel and the site adjoining to the south, which is owned by the late Dr. W. B. Rogers. Officers and directors of the Tri-State Hotel Building company are among the best-known capitalists and business men who are interested in property in that part of the city. John T. Walsh, president of the Tri-State Hotel Building company, is president of the city. D. Block, of the City-Block Mercantile company, vice-president. Joseph H. Treasler, of the City-Block Mercantile company, secretary. Other directors are C. C. Reed, of Reed & Decker; J. H. Hinkle, of Hinkle & Co.; and Henry C. Isele, of Henry C. Isele & Co.

Iseles Will Run Hotel.

Architects are to be employed at once to draw plans for the building. A contract has already been arranged under which the architect, Martin J. Isele, will lease the building. They will pay all expenses of carrying the building, including the cost of the site, and the cost of a building fund which will be created by the bonds which it is intended to issue to the owners of the property.

Henkle Says His Wife Improved So Much on Taking Tanlac She Now Boasts of Her Splendid Health.

"After years of suffering Tanlac cured my wife. In a fine state of health and she often boasts of how well she is feeling," said George H. Henkle, of Haslam's avenue, Nashville, Tenn.

"For years," he continued, "she was almost a confirmed dyspeptic and she suffered from nervous affection. Right after meals she would vomit on her stomach, which kept her in distress all the time. She always had to be most careful about her eating and was troubled at times with diarrhea and swelling of the head. For a long time she had wanted to take a trip North, but couldn't do so on account of her condition.

"When she saw Tanlac advertised and decided to try it and found almost immediate relief. Tanlac gave her a fine appetite and put her stomach in fine shape, so she could eat and enjoy her meals without having any trouble afterward. She hasn't complained of dyspepsia or swelling of the head since starting on it, and her nervous condition has also quite disappeared. Tanlac built her up so she was enabled to take a North, where she was left for four months and she wasn't sick a minute of the whole time she was away. She is delighted with what Tanlac has done for her and thinks there is no other medicine like it."
